Reaction Time Challenge

\$10 to enter \$200 to win

This is the last time run that is an optional run. The racer with the best reaction time of that session will win the money. Join the Fun.

EVENT REMINDERS:

- Pros will start on time
- Beware of soft ground when using trailer jacks, etc.
- No motorized traffic in the pits 15 min after races end
- You must be a licensed driver to drive pit bikes & tow vehicles ~ no joy riding
- Please pick up garbage and put in or near cans - extra bags in ET Booth
- Car #'s and dial-ins need to be on left side of vehicles.
- Confirm your dial-ins before staging, it is your responsibility!
- \$1.50 Tall Boys and \$3.00 Smirnoff
- We now broadcast on 94.5 FM, listen for announcements.
- Payout will be located at Registration at the pit gate.

The schedule is subject to change—so be here early! If we are ready to start eliminations, we will start!!

BRACKET RACING RULES MODIFICATIONS FOR 2008

After a few days of consideration plus input from bracket racers, CFR management has decided to allow a driver to enter up to 2 classes at most bracket events in 2008, including all points races. "Our concern is and remains that the under financed teams are not put in a minority position" said Dan Driscoll. "However, we felt we would allow this change for 2008 and see what happens" he concluded.

Below are the rules for participation in 2008.

1. You cannot enter two drivers in one vehicle in any CFR points class, or in one bracket class. You may not switch drivers once eliminations have begun. You must finish eliminations with the vehicle you started with.
2. One driver cannot have more than one vehicle in the same points bracket class. However, it is permitted to enter one car on both sides of an eliminator. In these cases, the entry must conform to the tech rules of each class when it is presented in the lanes. Delay boxes must be removed from the car in all no-box classes.
3. A driver may also enter with one vehicle up to 2 classes at most races. However, the vehicle must be legal for each class and the driver is responsible for being on time for the appropriate bracket classes. In addition, the vehicle must have a different number for each class. This will ease any operational issues the track might have.

Food & Novelty Information

All food sales will be done with food tickets. They are sold in \$.50 increments. You may purchase the tickets at the Novelty Stand next to the food stand. We have ordered new NHRA items and they are in stock. We have ordered more track shirts and they will be here soon. We sell beer in that stand for \$1.50 a 16 oz can (tallboy).

New Front Gate Procedure

You may have noticed that you received a receipt at the gate when you paid. This will help us to balance and help your record keeping. In the case of a weather situation your cash register receipt will be your rain check. It is a dated and timed receipt that works great for rainchecks. Always keep your receipt. Remember that everyone must sign a waiver - even the crew.

WE BROADCAST ON 94.5 FM

Reminder... Spectator Gate has FREE admission on Saturday night of points race days. It is chance for your friends to come out and check it out at no cost to them. If they want to come into the pits, it is just \$11 for adults and \$3 for kids (6-12).

Upcoming Events:

Fri	Aug 1	Fun Night
Sat	Aug 2	Midnight Mania
Fri	Aug 8	Fun Night
Sat	Aug 9	Bracket Points #9 Plus MBA Junior Race-No pts

Sunoco Race Gas Prices Sold at the Tech Building

110 octane	\$6.75
112 octane	\$7.75
116 octane	\$9.25
Methanol	\$3.50

SHOWER IS AVAILABLE

We are in the process of fixing/updating our showers on the pit side, but we are not done yet. We do have one shower on the spectator side of the track in the women's restroom.

Thanks

EXTENDED TECH INSPECTIONS have begun. We will have the forms at Registration and at Tech. Anyone at Tech can do an extended tech. Once your vehicle has passed extended tech, you will be issued an Extended Tech ID Card. You will then show this ID card at the gate and not have to go to tech. There will be spot checks throughout the season. We want to be very thorough since this is a season tech. Thank you for your cooperation.

Anyone racing faster than 9.99 in the quarter mile must have an NHRA license. NHRA will now accept IHRA licenses as a crossover. All we need:

1. Copy of IHRA license
 2. 2 ET slips from 2007 as good representative passes
 3. Signature of current NHRA licensed driver
 4. Signature of track manager.
- You need to get this completed ASAP.

Racers 10 seconds and slower should also get a competition number and membership. The membership gets you the accident insurance and subscription to National Dragster plus other fun things. The license gets you a bracket number that you will need if you qualify for the bracket finals.
